CAREER SUMMARY

As a passionate and skilled front-end developer, I, Lovish Bansal, bring hands-on experience in building dynamic and responsive web applications. Proficient in HTML, CSS, JavaScript, and React JS, I have successfully developed a range of projects, including a Hotel Booking Website, Food Restaurant Website, Personal Portfolio Website, Weather App, and Travel Booking Website. My expertise extends to utilizing Bootstrap for responsive designs and Figma for crafting intuitive user interfaces, ensuring a seamless and engaging user experience.

Skills

- Technical Skills: HTML, CSS, JavaScript, React JS, Bootstrap, Figma, C++, Python
